Words from the Cross

The Bible says, "I saw thrones on which were seated those who had been given authority to judge... They came to life and reigned with Christ a thousand years" (Revelation 20:4). One of God's gifts to us as His children is the promise of rulership.

The King of kings has promised us His kingdom. He has promised that if we suffer with Him, we will reign with Him; that weeping may endure for the night, but joy comes in the morning. We shall judge angels and sit in the heavenly places with Christ Jesus, our Lord. In a world hungry for power, the God of the whole universe has promised that we can sit on His throne with Him.

Imagine the moment in Eternity when He calls for us, each of us individually, before all the angels and the countless multitudes in heaven and summons us to sit on His throne with Him. What a day that will be!

In HIS love and service,

Brother Jerry

Shine Like the Stars!

Flat Creek kids are coming to preschool and children's choirs on Sunday evenings at 6:00 pm. Their activities include singing songs of faith and playing instruments. During their teaching time they are challenged to learn music reading skills that will earn awards called "Starbucks". The Bible says in Daniel 12:3, "Those who are wise will shine like the brightness of the heavens, and those who lead many to righteousness, like the stars for ever and ever". As you see in the pictures we have many "shining stars" lighting up the spiritual life of FCBC. Our vision is to grow this new generation whose lives are given to the task of turning men to righteousness. They will glow like the stars for eternity. Come and find out how you can earn "Starbucks" too.

Get Ready For The NBA At FCB

No Body Absent

March 2010

The NBA At FCB is a month long attendance emphasis in our Sunday School Departments. We are praying that every class work to have every member present during the month of March. We know that this is a challenge but no matter what happens, God will bless the efforts of His people. The purpose of this event is to have as many people possible here for the teaching of God's Word each Sunday in Sunday School.

God's Word is powerful and can change lives. We must be faithful in attendance and to invite others to attend so they can hear the Word of God.

Please challenge your class to be present each Sunday and to invite and bring others as we go through this month long event.

We will recognize classes who have the highest total attendance as well as the highest percentage attendance in each department.

Bro. Mark
